THE COMMUNITY FUND

As the largest non-government funder of social service programs in Brandon & District, we have a responsibility to tackle our community's most pressing problems and change people's lives.

Donations to United Way of Brandon & District's **Community Fund** are invested in programs, services and initiatives that address important social challenges in our community. These programs, services and initiatives work together to tackle issues from many different angles – prevention, education, counseling, and crisis intervention.

In the next 2 years, with your continued support, United Way will invest over 1.2 million dollars in critical programs and services in our community.

All money raised in our community, stays in our community!

BECAUSE

Young kids can't take **care** of themselves,

Because kids can't always outrun **trouble**,

Because seniors are **vulnerable**,

Your **support** is essential,

Without **you**,

There would be no way.

Thank you

United Way's Tomorrow Fund is a permanent endowment that helps support United Way funded programs, services and initiatives. All donations to the Tomorrow Fund are invested in perpetuity and only the income earned on the capital is used. All assets of the Tomorrow Fund are professionally managed to achieve a balance between long-term security of capital, asset growth and a level of annual income that will allow for the funding of vital programs, and services.
