All products at Chez Angela are made from scratch in our bakeshop where we use flour and other wheat products, nuts, dairy, eggs, and other potential allergens. We maintain the highest standards for sanitation but cannot guarantee the absence of these ingredients in our products.

Frozen Cookie Dough

We make all our cookies with love using flour, butter and eggs from growers and producers right here in Manitoba. There are even six delicious flavours to choose from. Please note that for groups of less than 30 fundraisers, you can choose one group, either the “Classics” selections or from the “Favorites”.

CLASSICS:

All-The-Chocolate – A rich, chocolatey creation with cocoa and three kinds of chocolate chips.

Classic Chocolate Chip – The perfect dunker, just like Grandma used to make.

Oatmeal Cranberry & White Chocolate – It’s got oats and whole grains...must be healthy, right?!

Your cookie dough will come frozen. You simply thaw it overnight in the refrigerator and then scoop it in individual portions onto a sheet pan to bake for fresh & awesome goodness. Each bucket of cookies costs \$20 and will give you 20 to 30 delectable cookies, depending on your scoop size.

“Because Local” Coffee Card

For \$75 you get a free coffee refill whenever you bring in your clean, reusable cup for a whole year for our French Roast coffee. We can’t wait to learn your name, see your smiling-behind-the-mask face and serve you daily...or twice daily! The card must be registered on first use and is non-refundable and non-transferable. You will get special offers and exclusive discounts throughout the year. But you never have to buy anything, just stop by with a clean mug and a kind attitude!

Stone Hearth Pizza Punch Cards

Our stone hearth pizzas are one of the best kept secrets in Brandon. Fresh, local ingredients including meats, cheese and veggies baked with our in-house sauce on our garlic oregano sourdough pizza dough. Each card gets you eight incredible pizzas. Use whenever you like!

Artisan Bread Punch Cards

Each of the five squares on your Artisan Bread Punch Card can be redeemed for any single loaf of artisan bread, or for two of our fresh-baked baguettes Parisiennes – perfect for yourself, or a gift for someone you love. \$50 per card.

Gift Certificates

Food is an easy way to show you care - and an easy way to make sure that the person you care about gets the freshest food is to let them pick it up themselves! Our \$20 gift certificates are redeemable for any fresh baked goods, meal kits and in-house drinks.

Your purchase helps to support the selling organization, to create local jobs in our community and to keep our local economy strong. Thank you for being awesome!
